7 MAKING INFORMATION AVAILABLE

The Publication Scheme is a means by which the Council can make a significant amount of information available routinely, without waiting for someone to specifically request it. The scheme is intended to encourage local people to take an interest in the work of the Council and its role within the community.

In accordance with the provisions of the Freedom of Information Act 2000, this Scheme specifies the classes of information which the Council publishes or intends to publish.

All formal meetings of Council and its Committees are subject to statutory notice being given on notice boards, the Website. The Council publishes an annual schedule of Ordinary Meeting dates at the Annual Meeting each May. All formal meetings are open to the public and press, and reports to those meetings and

relevant background papers are available for the public to see. The Council welcomes public participation and has a public participation session on each Council meeting. Details can be seen in the Council's Standing Orders, which are available on its Website or at its offices.

Occasionally, Council or Committees may need to consider matters in private (e.g. when they involve personal details of staff, or a particular member of the public, or where details of commercial/contractual sensitivity are to be discussed). This will only happen after a formal resolution has been passed to exclude the press and public and reasons for the decision are stated. Minutes from all formal meetings, including the confidential parts are public documents.

The Council will be pleased to make special arrangements on request for persons who do not have English as their first language or those with hearing or sight difficulties.

Adopted 9th May 2023

SECTION A – COUNCIL COMMUNICATIONS

1 Council Correspondence and Communications

- 1.1 All correspondence for the attention of the Council should be addressed to the Clerk.
- 1.2 Individual Councillor or Officer should provide any correspondence or information of significance to the Clerk. In particular, Councillors and Officers do not have a right to obtain confidential information/documentation unless they can demonstrate a ‘need to know’.
- 1.3 All official correspondence should be sent by the Clerk in the name of the Council using Council letterheaded paper. Most correspondence is sent by email using Council-approved email addresses; all Councillors should have a signature which is accompanied by the Council’s registered address and email contact details.
- 1.4 Where correspondence from the Clerk to a Councillor is copied to another person, the addressee should be made aware that a copy is being forwarded to that other person, that is, ‘BCC’ should not be used, ‘CC’ should be used, as well as highlighting the name of the additional addressee in the body of the email.
- 1.5 **Communications from the Council will meet the following criteria:**
 - Be civil, tasteful and relevant;
 - Not contain content that is knowingly unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive;
 - Not contain content knowingly copied from elsewhere, for which we do not own the copyright;
 - Not contain any personal information.
 - If it is official Council business it will be moderated by either the Chair/Vice Chair of the Council or the Clerk to the Council;
 - Social media will not be used for the dissemination of any political advertising.
 - Printed letters from the Council, where feasible, will utilise the Calibri size 12 font to ensure clarity of print.

2 Agenda Items for Meetings of Council and Committees

- 2.1 The agenda should be clear and concise and contain sufficient information to enable Councillors to make an informed decision, and for the public to understand what matters are being considered and what decisions are to be taken at a meeting.
- 2.2 Items ‘for information’ should be kept to a minimum on an agenda, and circulated by the Clerk to Councillors.
- 2.3 Confidential items will be marked as such, and should be destroyed once their intended use has been fulfilled.

3 Communications with the Press and Public

- 3.1 Press reports from the Council and its Committees should be from the Clerk, and will reflect only decisions confirmed by Council and its Committees.
- 3.2 Unless a Councillor has been authorised by the Council to speak to the media on a particular issue, Councillors who are asked for comment by the press or public should make it clear that it is a personal view and ask that it be clearly reported as their personal view, unless the Councillor is quoting an approved decision as recorded in the Minutes.

4 Councillor Correspondence to external parties

- 4.1 Individual Councillors are responsible for their own ward member correspondence. St Arvans Community Council does not provide a secretariat for such purpose. Councillors must ensure they make clear where they are informing on official policy and where they are stating their personal views.

5 Communications with Council Staff (Clerk and RFO)

- 5.1 Councillors must not give instructions to any member of staff, unless authorised to do so (for example, three or more Councillors sitting as a committee or sub-committee with appropriate delegated powers from the Council).
- 5.2 No individual Councillor, regardless of whether or not they are the Chair of the Council, of a Committee or other meeting, may give instructions to any employee.
- 5.3 Telephone calls should be appropriate to the work of the Council.
- 5.4 Instant replies should not be expected to e-mails from the Clerk or RFO; reasons for urgency should be stated;
- 5.5 Councillors should acknowledge their e-mails when requested to do so.

- 7.2 The Council's email address is clerk@starvans.co.uk and is monitored on a limited part time basis during the week. We aim to reply to all questions sent as soon as we can. An 'out of office' message should be used when appropriate.

Members should also be careful only to 'cc' essential recipients on emails i.e. to avoid use of the 'Reply to All' option if at all possible, but of course copying in all who need to know and ensuring that email trails have been removed.

Should you receive any offensive or inappropriate content via email you should inform the Clerk of this as soon as possible so that they can ensure that it is removed from the system.
- 7.6 You should also take care that emails will be seen only by the person intended. Particular care should be taken when sending confidential information that the email has been correctly addressed, marked 'private' and not copied in to those not authorised to see the information.
- 7.7 Councillor and staff email accounts remain the property of the Council and you should not use your Council email to send or receive any information that you regard as private. The Council may, in the course of its operation, read emails that you have sent or received - although in the absence of evidence of wrongdoing the Council will try to avoid reading personal emails if possible.

- 8.3 From time to time the Council may block access to sites which it considers inappropriate but whether or not a specific site has been blocked, employees must not use the internet to view or download offensive or sexually explicit material.
